

# In Loving Memory

Those we love don't go away,  
They walk beside us  
every day.  
Unseen, unheard,  
but always near.  
Still loved, still missed,  
and very dear.

In Loving Memory

*My Mum*

If we all had an angel  
In heaven above  
And that angel is chosen  
From memories and love  
That means you're my angel  
That keeps me from harm  
And cuddles me tight  
When I feel alone  
My mum, my teacher  
My friend forever  
I know you will watch over me  
Until we're together

**Crossing Over**

Oh, please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.  
We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.  
I haven't really left you  
Even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.  
Just believe that when you say  
my name, I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.  
But I'll still send you messages  
And hope you understand,  
That when your time comes to  
"cross over," I'll be there  
to take your hand.

## Look For Me In Rainbows

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, way up in the sky.  
In the morning sunrise when all the world is new,  
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;  
Look for me in rainbows, high up in the sky.  
In the evening sunset, when all the world is through,  
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then  
My loving arms will hold you, when we meet again.

Time for us to part now, we won't say goodbye;  
Look for me in rainbows, shining in the sky.  
Every waking moment, and all your whole life through  
Just look for me and love me, as you know I loved you.

Just wish me to be near you,  
And I'll be there with you.

## Hymn

On a hill far away stood an old rugged cross,  
The emblem of suff'ring and shame;  
And I love that old cross where the dearest and best  
For a world of lost sinners was slain.

*So I'll cherish the old rugged cross,  
Till my trophies at last I lay down;  
I will cling to the old rugged cross  
And exchange it someday for a crown.*

O, that old rugged cross, so despised by the world,  
Has a wondrous attraction for me;  
For the dear Lamb of God left his glory above  
To bear it to dark Calvary.  
*So I'll cherish the old rugged cross...*

In the old rugged cross, stained with blood so divine  
A wondrous beauty I see.  
For 'twas on that old cross Jesus suffered and died  
To pardon and sanctify me.  
*So I'll cherish the old rugged cross...*

To the old rugged cross, I will ever be true,  
Its shame and reproach gladly bear.  
Then he'll call me someday to my home far away  
There his glory for ever I'll share.  
*So I'll cherish the old rugged cross...*

## Prayers, followed by The Lord's Prayer

Our Father who art in heaven,  
hallowed be thy name,  
thy kingdom come, thy will be done,  
on earth as it is in heaven.  
Give us this day our daily bread;  
and forgive us our trespasses,  
as we forgive those who trespass against us;  
and lead us not into temptation,  
but deliver us from evil.  
For thine is the kingdom, the power and the glory  
for ever and ever. Amen
